

VERITAS UNIVERSITY

Bwari Area Council, FCT-Abuja, Abuja, Nigeria

DIRECTORATE FOR ADVANCEMENT AND INTERNATIONAL COLLABORATION

About the Directorate

- Links Veritas University with global institutions
- Forges partnerships to advance university mission
- Raises profile through international collaboration

Vision What
our ambition is.

**Fostering Global
Partnerships**

Mission How
we're going to
achieve this.

**Expand international
relationships to drive development
in infrastructure, research, teaching
and community service.**

Objectives
Why we are
doing this.

**Foster relationships with international
universities, research institutions,
and organizations.**

**Identify, explore, and cultivate
strategic partnerships for university
initiatives.**

**Enhance the university's international
reputation and visibility.**

Faculty Role in Advancement

- Seek grants and funding sources relevant to research areas.
- Write Compelling grant proposals with expertise in respective fields.
- Cultivate Connections with potential donors who share interests.

Faculty Role in Collaboration

- Share expertise through lectures, workshops and publications.
- Demonstrate impact of past funding to inspire future giving.

Faculty Liaison Programme

- Each Faculty/Department is invited to please nominate one liaison person
- Monitor conferences, identify research opportunity, alert staff.
- Communicate with Directorate for Advancement and International Collaboration to follow up possibilities
